

QUALITY POLICY STATEMENT

It is a policy of QMAC Construction Ltd to provide customers with a service that totally meets their needs with regard to quality, commitment and completion. The Company follows management systems and documentation requirements to maintain and develop a quality system. The Company is committed to continual improvement of the quality system through the setting and reviewing of objectives for the business.

QMAC operates a management system which has been accredited its ISO 9001:2008 standards as well as complying with all relevant legislation and codes of practice. The system is readily communicated to all involved parties through regular reviews at all levels within the Company.

Through the implementation of this system, coupled with training, the Company ensures that the requirements are understood and implemented.
